Operating Procedures

- ◆ Confirm you have the correct username and password if you are having trouble logging into D3A2.
- ◆ Make dashboard selections and then click **Go** to display the results.
- ◆ Remember that D3A2 opens an additional tab to display reports. Use the Page Options button to save the report for quick access at a later time.
- ◆ Remember that not all Ohio Achievement Test (OAT) test items are released for viewing.
- ◆ Enter a username and password to use the Bookbag feature in the Resource Exchange.
- ◆ Make sure you log-out when you are finished.

Report Options

- ✓ **Data Analysis - Lite:** supports the analysis of past class and student performance on state tests; shows comparisons to school, district and state results.
- ✓ **Current Students:** supports the identification of current students' strengths and weaknesses through analysis of their previous years' test results. Data is available at the standard level only.
- ✓ **Item Analysis - Advanced:** supports a detailed analysis of class responses to individual test items, as well as classroom level comparisons to school, district and state test results.

Bookbag: Resource Exchange

- ✓ **My Bookbags:** goes to the Bookbag section where you can create Bookbags, copy items in Bookbags or email Bookbags to peers.
- ✓ **Email Bookbag:** enables users to send the resources in the Bookbag to colleagues.
- ✓ **Delete Bookbag:** supports the elimination of Bookbags not being used or no longer wanted.
- ✓ **Add New Bookbag:** allows users to create additional Bookbags for storing resources by Academic Content Standard areas or themes for later viewing.
- ✓ **Remove Resources:** supports removal of one or more resources from a Bookbag.
- ✓ **Copy Resources:** supports the selection and copying of resources to another Bookbag.
- ✓ **Change Bookbag:** provides users with the option to select a different Bookbag to view by selecting the desired Bookbag from the drop down menu.
